The Seniors Band

Conductor John Snowling

Gisborne – 27-29 April 2012

BAND PURPOSE:

In a world that is increasingly youth-focused we can sometimes think that, after a certain point in our lives, there won't be any more chances to make great music. The New Zealand Concert Bands Assn recognising this fact has established a band for "chronologically gifted" senior musicians, the purpose of which is to support professional development, networking and knowledge exchange.

PROGRAMME

Please Note – there is a **\$30 Band Registration** fee per person to assist with conductors' koha, music copying, concert advertising etc. This can be paid either by cheque with registration or directly into NZCBA's bank account – please let Judy know if you take this option.

There is an opportunity to register for the Saturday evening social meal – price is based on minimum number attending of 30 people.

All fees payable at time of registration.
